Career Objective

Computer Science undergrad with hands-on experience in Java Full Stack and MERN development. Proficient in building scalable web apps, RESTful APIs, and AI-powered solutions. Skilled in debugging, Git, and agile workflows with a focus on clean architecture.

Experience

Intern MERN Stack Developer, Biztron Softech — Bengaluru, India Jun 2024 - Jul 2024

- Developed user authentication systems and authorization features, including user registration, login, and password management.
- Developed RESTful APIs for user interactions (posting, commenting, liking, following).
- Implemented MongoDB for data storage.

Education

Lakireddy Bali Reddy College of Engg., B.Tech in Computer Science and Engineering 2022 – 2026

- GPA: 9.0

Sri Chaitanya Jr. College, IPE 2020 – 2022

- Percentage: 96.3

Projects

DevCraftz DevCraftwebsite

- Developed Irah, an AI assistant for DevCraftz, to handle client queries and guide users across the platform with smart, real-time support.
- Collaborated in an Agile team environment with regular stand-ups and sprint planning.
- Used Git and GitHub for daily commits, code reviews, and feature branching.
- Tech Stack: React.js, NLP toolkit, python

Portfolio, Tenzies Portfolio,Tenzies

- Developed a portfolio using JavaScript, HTML, and CSS with basic authentication and a user-friendly interface.
- Built a fun dice game, Tenzies, to practice React state management and logic.
- Tech Stack: JavaScript, CSS, HTML, React.js

Basic applications using JS JavaScript-projects

- Created interactive mini-games like Rock-Paper-Scissors and Tic-Tac-Toe, and a dynamic calculator to sharpen logic and DOM skills.
- Focused on game logic, event handling, and UI responsiveness using vanilla JavaScript.

Technical Skills

- **Languages:** JavaScript, Java, Python, C, SQL
- **Web:** HTML, CSS, React.js, Node.js, Express.js
- **Database:** MongoDB, MySQL
- **Tools:** Git, GitHub, Postman, VS Code
- **Practices:** Agile, CI/CD, Debugging, REST APIs, MVC

Certifications

- Certified AWS Cloud Practitioner by AWS.
- Completed the PCAP certification - Programming Essentials in Python course.
- Successfully completed the Data Science with Python Introduction course (HarvardX).
- Completed the Cyber Security Essentials certification (Cisco Networking Academy).
